		3212.5							3212.7		
		3212.7							3212.10		
		3212.10							3213		
		3213									

Most of the injured workers covered by these presumptions are law enforcement or firefighters, but don't assume that because someone has that job title they are covered, or that they are not covered because their job title doesn't sound like that.

* MRSA = Methicillin-resistant Staphylococcus aureus skin infection
