		3212.10							3213*					
		3213*												

Most of the injured workers covered by these presumptions are law enforcement or firefighters, but don't assume that because someone has that job title they are covered, or that they are not covered because their job title doesn't sound like that.

\* Sections with nonattribution clauses

MRSA = Methicillin-resistant Staphylococcus aureus skin infection

B-C = Biochemical

PTSD = post-traumatic stress disorder
